All parts are fitted so accurately that these machines are absolutely noiseless and as easy running as fine adjustment and best mechanical skill is possible to produce. No expense or time is spared to make them PERFECT IN EVERY RESPECT. As every machine passes a rigid inspection by competent men before leaving the factory. NICKEL-PLATED-The balance wheel and many of the fine parts are nickel-plated, with other parts finely enameled and ornamented, giving it a rich appearance. IMPROVED AUTOMATIC BOBBIN WINDER-So simple that a child can easily operate it, winding the thread automatically on the bobbin as evenly and regularly as the thread on the spool. This valuable attachment renders possible a perfect control of the shuttle tension, and all annoyance resulting from shuttle-thread breaking while the machine is in motion, which is common to many machines, is entirely obviated. A Self-Setting Needle and Self-Threading Cylinder Shuttle are used in the "ADVOCATE" Sewing Machines. They are so simple that anyone can easily operate them in a few minutes of time, as our instruction book is fully illustrated, showing how to do all kinds of fancy work with attachments. THE SELF-THREADING SHUTTLE is so simple that with two motions of the hand backward and forward the shuttle is threaded. The wood work furnished on "ADVOCATE" machines is the choicest oak or walnut. It is impossible to give a complete idea as to the elegance of our woodwork by printed description. The covers are known as the Bent Wood work. The side drawers are in skeleton cases, center drawers extending the entire length between the stand castings. Side drawers with elegant nickel-plated ring handles. The entire finish is most elaborate and comparing favorably with the high polish found on pianos, organs and the choicest articles of household furniture. EXTRA ATTACHMENTS in metal lined case, and book of instructions, sent free with each machine: 1 Tucker, 1 Ruffler with shirring plate, 1 Hemmer Set (4 widths) and Binder, 1 Brailer (foot and slide), 1 Thread Cutter. These attachments are the most complete and expensive ever offered free.
